

Dear Applicant,

First and foremost, I want to thank you for your desire to join the Young Marines family as a Registered Adult Volunteer. We are all dedicated to one thing, “Strengthening the lives of America’s youth.” Without our volunteers, this mission cannot go forward.

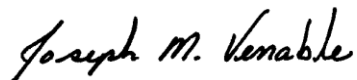

Please be sure to provide all requested information on application. Part of the application process is providing three reference letters testifying about your positive character; integrity, team player, and other positive attributes. These reference letters must come from individuals who know you for at least two years, are not relatives and are not a Young Marines Registered Adult Volunteer themselves.

The reference letters must have the following information:

- Printed name, address, phone number and email of the person writing the letter
- Signature of the person writing the letter and their title, if appropriate
- How long they have known you and in what capacity (i.e., employer, co-worker, neighbor, etc.)
- No form letters
- In their own words, they should state that without reservation they would recommend you to be entrusted with the supervision, guidance, and care of youths; your ability to work as a team player, if known, and any other factors regards your character they feel is relevant.

Again, thank you for wanting to be a part of this great youth organization. I look forward to meeting and working with you in the near future.

Semper Fidelis,

Joseph M. Venable USMC (Ret)
Young Marines National Headquarters Deputy Director
